ANNUAL BANK MEETING.

Financial Showing a Most Satisfactory One.—New Director.

The annual stockholders meeting of the Bank of Campbell was held on Tuesday afternoon of last week. The showing made by this institution during the past year is highly pleasing and places the Bank of Campbell in the front as a safe, and substantial financial institution.

After hearing the reports of the officers, declaring the usual dividend, the board of directors were elected for the coming year. The only change in the directorate is the election of Mr. J. Brynteson in the place of W. W. Turney, who is now a non-resident. In the election of Mr. Brynteson the bank has added a valuable man to the directorate. Following are the persons composing the new board: J. C. Ainsley, B. Campbell, R. K. Thomas, E. I. Price, P. G. Keith, Col. S. F. Cooper, S. G. Rodeck, J. Brynteson, S. R. Wade, Dr. C. N. HONEST DENTISTRY

It is only a matter of simple calculation to show that good dentistry can be given with low prices.

It is the dentist who has only a few patients that must charge high prices.

The dental office that is kept busy can easily afford to give lower rates. It is only another kind of quick sales and small profits.

7423 Patients Recommend Us.

We employ none but skillful dentists of long experience. Our methods are guaranteed to be absolutely painless and perfectly antiseptic. No charge for extraction of teeth unless they are painlessly removed. Where the patient orders a plate we do not charge for necessary extractions. We restore decaying teeth, we replace lost teeth and beautify sound teeth.

We guarantee for fifteen years our plates and bridge work to fit, to be comfortable, serviceable and natural.

A discount of 10 per cent to out-of-town patients who pay railway fare to San Francisco.

PRICES:

Perfect-Fitting Plates	$3.00
Pure Gold Crowns	2.50

CAMPBELL BOOK CLUB.

The new books for 1906 are being got ready for distribution. Heretofore there has been some trouble in getting the books forwarded to different members on time. A new plan has been put into effect this year which is hoped will remedy this. Each member on a given date is to call for the book due them and if it hasn't been read it must pass on, anyway. The list of new books are to be found below. As the last year's books come into the hands of the librarian they are placed in the public library, which already has profited very materially by the Book Club's generosity in the past few years. The people of Campbell have an opportunity to read the latest and best books published, a favor enjoyed by few villages the size of this.

THE SENIOR FARCE.

Despite the stormy weather last night a full house greeted the production of the "Merchant of Venice" (up-to-date) by the senior class of the high school. For the benefit of those who could not attend last night, the farce will be repeated on Monday night. The proceeds go to the school ground fund. The program and cast of characters follow:

Cured of Bright's Disease.

Geo. A. Sherman, Lisbon Red Mills, Lawrence Co., N. Y., writes: "I had kidney disease for many years and had been treated by physicians for twelve years; had taken a well known kidney medicine and other remedies that were recommended but got no relief until I began using Foley's Kidney Cure. The first half bottle relieved me and four bottles have cured me of this terrible disease. Before I began taking Foley's Kidney Cure I had to make water about every fifteen minutes, day and night, and passed a brick-dust substance, and sometimes a slimy substance. I believe I would have died if I had not taken Foley's Kidney Cure." Sold by Farrington.

Cured His Mother of Rheumatism.

"My mother has been a sufferer for many years from rheumatism," says W. H. Howard of Husband, Pennsylvania. "At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried, in fact, she is never without it now and is at all times able to walk. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with." For sale by Farrington.

A man's stinginess sometimes costs him a fearful price.

REV. CARLISLE P. B. MARTIN, L. L. D.

Of Waverly, Tex., writes: "Of a morning, when first arising, I often find a troublesome collection of phlegm which produces a cough and is very hard to dislodge; but a small quantity of Ballard's Horehound Syrup will at once dislodge it, and the trouble is over. I know of no medicine that is equal to it, and it is so pleasant to take. I can most cordially recommend it to all persons needing a medicine for throat or lung trouble." Sold by Farrington.

The wisest man can learn something from every one he meets.

GIVEN UP TO DIE.

B. Spiegel, 1204 N. Virginia St., Evansville, Ind., writes: 'For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured." Sold by Farrington.

Contracted Chronic Diarrhoea While in the Philippines.

"While with the U. S. Army in the Philippines, I contracted chronic diarrhoea. I suffered severely from this terrible disease for over three years and tried the prescriptions of numerous physicians, but found nothing did me any good until I tried Chamberlain's Colic, Cholera and Diarrhoea Remedy, two small bottles of which entirely cured me and I have since had no return of the disease."—HERMAN STEIN, 212 N. Chamberlain's Cough Remedy Best Made.

"In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cora Walker, of Porterville, California. There is no doubt about its being the best. No other will cure a cold so quickly. No other is so sure a preventive of pneumonia. No other is so pleasant and safe to take. These are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having once used this remedy. For sale by Farrington.

CURED LUMBAGO.

A. B. Canman, Chicago, writes March 4, 1903: "Having been troubled with Lumbago, at different times, and tried one physician after another, then different ointments and liniments, gave it up altogether. So I tried once more, and got a bottle of Ballard's Snow Liniment, which gave me almost instant relief. I can cheerfully recommend it, and will add my name to your list of sufferers." Sold by Farrington.

The strongest man is the one who can control his passions.

Chamberlain's Cough Remedy Absolutely Harmless.

The fault of giving children medicine containing injurious substances, is sometimes more disastrous than the disease from which they are suffering. Every mother should know that Chamberlain's Cough Remedy is perfectly safe for children to take. It contains nothing harmful and for coughs, colds and croup is unsurpassed. For sale by Farrington.

The man who has but one suit of clothes has no redress.

Pleasant and Most Effective.

T. J. Chambers, Ed. Vindicator, Liberty, Texas, writes Dec. 25, 1902: "With pleasure and unsolicited by you, I bear testimony to the curative power of Ballard's Horehound Syrup. I have used it in my family and can cheerfully affirm it is the most effective and best remedy for coughs and colds I have ever used." Sold by Farrington.

A Cold Settled in His Kidneys.

A. J. Jennesse, 9201 Butler St., Chicago, writes: "I am a switchman and am out in all kinds of weather. I took a cold which settled in my kidneys and I was in bad shape. I tried several advertised remedies with no benefit, until I was recommended to try Foley's Kidney Cure. Two-thirds of a bottle cured me." Sold by Farrington.

CONCERT A SUCCESS.

An Evening of Much Pleasure in Listening to Good Music.

The concert given at the Methodist church last Friday evening was a signal success, both in giving keen pleasure to the large audience who assembled to hear it and in adding a very substantial amount to the piano fund.

The choir from the Los Gatos Methodist church did some effective work in their chorus singing, winning hearty applause in both numbers. The trios by the ladies of the choir were favorites with the audience, also.

Of the solo singers, Miss Revie Wilson with her charming contralto gave a most pleasing selection; Miss Penny's soprano solo was well received; Mr. Mallory's heavy and melodious bass was heard to good advantage in the song rendered by him; Mr. John Morton's singing is always a delight, this occasion being no exception; Mrs. Mildreth Spencer-Hartman with her indescribably clear and velvety voice gave exquisite pleasure with her songs.

The duet by Misses Penny and Baker was a beautiful song well sung.

The piano solos were by Miss Catherine Martinie of Campbell, and Miss Ethel Owens of Los Gatos, both very youthful performers whose work gives excellent promise for their future as musicians.

Miss Della Archibald's violin solo was a number much praised, accompanied with much skill and sympathy by Miss Letitia Archibald.

Mrs. Mallory gave her reading without any of the overstraining for elocutionary effect which is so conspicuous a fault with most readers, and in consequence made her number among the most enjoyable of the list.

In so long a program it is difficult to give due notice to each performance where all are so commendable. But the enthusiastic comments of the audience, as they discussed the program, must have convinced all of the success of their efforts.

At the close of the program a large number of those present adjourned to the parlors where refreshments were served. Upon leaving, the Los Gatos friends (some 30 in number) started the song "Shall Old Acquaintance be Forgot," as a token of esteem for Dr. and Mrs. Needham and other former Los Gatans, which was a happy ending of a pleasant affair.

Great credit is due Mrs. Martinie and Dr. Needham for the securing of so splendid a program.

A new high grade Krell-French piano now adorns the League and Sunday school room.

PRESS NOTES

Benjamin F. Wilson of Berkeley will speak this Saturday evening in Campbell Hall on the subject: "Admission of Capitalism," and Sunday afternoon at 2:30 o'clock in I. O. O. F. Hall on the subject: "Life, Liberty and the Pursuit of Happiness." Benjamin F. Wilson is a brother of J. Stitt Wilson, well known here as an able speaker.

A glorious rain started in on Thursday afternoon and has been keeping it up ever since. Yesterday the creek came down and the irrigating ditches were soon running, so that orchardists were rustling around for men to help in irrigating. Seldom has a year passed when we have not had plenty of water in the creek by February, and this year will be no exception. Several thousand acres of orchards around Campbell will receive the rich sediment water from the creek as furnished by the Duncan, Page, Statler or Kirk ditches, which ditches are miniature creeks in themselves. With abundant opportunity for "checking up" orchards, it is safe to say that all are ready for the water. It is a matter for congratulation that the irrigation systems are so complete around here that no water goes to waste down the creek while there are those who want it. The different ditch companies reach about all of the orchards from Sorosis to the Willow—some seven miles wide—and from two miles south of Campbell to the Stevens Creek Road—a distance of some 4½ miles. That is a solid block of orchards containing appromimately 30 square miles, practically all irrigated by the ditches from here. Do our people fully realize the importance of these systems to Campbell and its veritable army of irrigators, who go forth protected by rubber boots, coats and hats, with shovels and lanterns, bringing to the community a rich return in choice fruit, and putting into the toilers' pockets a large amount of money in the aggregate.

The annual meeting of I.O.O.F. Hall Association took place Wednesday evening. The year's report was excellant, showing the hall to be a good investment. Directors for the year were re-elected as follows: C. Berry, R. E. Gates, William Carney, E. C. Merrill, E. A. Barker.

At a special meeting of the F. A. A., Tuesday evening, ten candidates were elected to become members, and will be initiated Saturday evening, with the class. The Drill team installed the officers of Melrose Council in San Jose last week, the initiation being public. There was a very large assemblage, and the team was showered with praise for their efficient work. After a good program, a fine banquet was given, their State Organizer, Dr. A. H. Wright, was present, and gave a very interesting talk.

The members of the Grange enjoyed a pleasant evening Tuesday on the occasion of the regular meeting. Many interesting matters came up during the business session, among them the fine report read by Mrs. Cornell, of the Farmers' Institute, in Berkeley. The program was in charge of Mrs. G. O. Foster, and consisted of the following numbers: Piano and violin duet, Mrs. Townsend and Mr. Hutton; character song, Dr. Abbott; recitation, Vaudine Putnam; solo, Mrs. M. E. Luther; reading, Miss Pearl Bohnett. Mr. Frank Mitchell representing Mrs. Booker T. Washington, delivered an address on womans' rights in costume. After the program the game of bean bags was played, Mrs. Frank Duncan and Mr. Waite bearing off first prize, while Mrs. Keith and Mr. Parso won the consolation prizes. Fishing was the next amusement. The fish pond containing such refreshments as sausages, etc., after which a banquet was served. The newly elected officers of the local Grange will go to San Jose Saturday, to be installed by Pomona Grange.

Samuel M. Patheal Dead.

Samuel M. Patheal died Sunday, January 7th, after only five days of illness. Last Thursday he was taken to the Southern Pacific Hospital in San Francisco where he had gone, hoping that the better facilities of that place would effect a cure. He had been working in the gravel pit and having caught cold, pneumonia set in, resulting in death.

Mr. Patheal was born in Carlyle, Ill., July 23, 1863 and came to California 14 years ago, living here most of the time. He was a man who had the earnest respect of everyone with whom he was associated, his quiet and faithful work wherever employed and his devotion to his family being frequently remarked.

His wife and children, of whom there are seven, are heartbroken over his loss. The sympathy of the comunity is with them in their affiiction.

The funeral took place from the family residence on Dillon avenue Wednesday at 11 o'clock, Rev. J. W. Lewis having charge of the services. Interment took place at Santa Clara cemetery.

A Card of Thoughtful Remembrance

With a heart-felt feeling, the home and relatives of the late deceased, S. M. Patheal, send an echo of warm remembrance to their many friends, and for each friend's many expressions of devoted attention, and their ever constant inquiry as to the needs and wants of those whose harvest of love was carried away just at the dawn of its realization.

It is the wish of the recipients of such tried and devoted friendship, that each, when the oil in the lamp of life is low, and its brightness just glimmering above the horizon of time, may have those about them, who will blend their night of sorrow into a hallowed twilight of peace.

MRS. S. M. PATHEAL.
MRS. M. W. PARKER.
TELL M. MCHATTON.

It is also a pleasure to give a well-deserved complimentary appreciation of the attention and courtesies given the deceased, relatives and friend during their sojourn at the hospital at San Francisco, of the Southern Pacific R. R., as the Superintendent, Medical Attendents, Assistants, Nurses, each and all, gave us a smile of welcome and attention, which made us feel that we were called as invited guests and not as just seekers of medical services.

DIED.

Waterville (Minn.) Advance, Jan. 3, 1906.

Mrs. Asa Wait, one of the early settlers of this place, died at her home in Campbell, California on Christmas day.

She was born in Kalamazoo, Mich., January 1, 1838. Her maiden name was Charlotte Field. She was married to Asa Wait in her native town in 1856. Mr. Wait, in company with Mr. Timpane, Major Rogers and others came here in 1856, engaging in the saw mill business. Mrs. Wait followed soon after, where she made her home until she moved to California in 1895.

Three children were born to them; Mrs. Mary Greene and Mr. Edward Wait of California and Mr. Geo. D. Wait of Montana.

Mr. and Mrs. Wait were numbered among the pioneers and did much for the upbuilding of the town. They helped to establish the Episcopal Church here and Mr. Wait was the second Worshipful Master of Sakatah Lodge.

The remains arrived from California on Sunday morning, and the funeral services were held from the Episcopal church at noon, Rev. Crickmer officiating, and the interment made in Sakatah cemetery by the side of her husband, whose memory she kept sacred for more than 33 years. May she rest in peace from the labors of a long and us ful life, spent in noble works and kind deeds.
